

**Professional property management for your rentals.**

1. We will help you to lease the property by taking on all the responsibility of the leasing process.

2. We will advertise, show the property for you, screen the potential lessee, collect the monthly rental amount.

3. We can also help you with paying the invoices that may occur, if you would like us to.

4. Maintenance service is available if necessary.

If this is something that we can help you with, please give us a call and we will be happy to discuss our program with you!!
